To ensure your delegates have the opportunity to explore Dundee and Angus to its full potential, venues who have accessible facilities are clearly marked using the symbols detailed below:

-  Unassisted Wheelchair Access
-  Assisted Wheelchair Access
-  Access for Visitors with Physical Disabilities

In addition to this, VisitScotland operates a national accessibility scheme. By assessing establishments according to set criteria, they identify and promote places that meet the requirements of visitors with mobility needs. The three categories of accessibility, drawn up in close consultation with specialist organisations are:

-  Category One (C1) - provides unassisted wheelchair access for visitors
-  Category Two (C2) - provides wheelchair access with assistance
-  Category Three (C3) - offers access for those with mobility impairment
